~~CHURCH~~ OF CHRIST

Dear Bill:

I appreciate so much your elders understanding my situation. I regret that I didn't have my schedule with me during our meeting so that I could be sure of the 1967 date. I must have gotten it confused with another situation. The earliest possible time I could be with you in another meeting as my schedule now stands would be early June, 1973 or November, 1973. Of course, later years would have more available dates if neither of these was acceptable. I would have to request a Sunday through Friday evening arrangement. If the brethren so desire, I will look forward to hearing from you.

We continue to be thrilled about the record your son is making at ACC.

Fraternally yours,

John Allen Chalk

Dear Brother Chalk:

It was good to have met you at the A.C.C. Lectures  
and to speak with you for a few minutes.

The whole congregation is looking forward with joyful  
anticipation to having you with us in this meeting.  
Extensive advertising has been done and we have every right  
in the world to expect a wonderful meeting.

The type of preaching needed in this brief effort, we  
feel, is the type that will cause the church to feel more  
deeply their responsibility as Christians.

Morning services are scheduled at 6:15-6:45 am, to  
accomodate shift workers. Evening services are at 7:30.  
On Sunday morning, you are scheduled to speak to the adult  
bible classes. It would be appreciated if your lesson  
can be directed along the lines of the importance of bible  
class work. Hospitality is scheduled for you at Noon and  
following the evening services each day.

Some of the men will meet your plane at the Houston  
Airport, Saturday afternoon.

Yours in Christ,

William H. Price,
